Harbor Area Is Called 'Black Spot' By Neary

(Continued from Page 1-A)
closed shop agreements should be ignored and that individuals, both employees and employers, shall sacrifice their rights, has brought about a reputation for the Harbor Area that is strangling the commerce of the communities. Business will not invest capital in commercial ventures under existing conditions—conditions that have earned for these three communities the label of "the black spot of the country."

Local Boy Scouts Aid 20-30 Club In Cancer Drive

Boy Scouts of Troop 241 will aid the Torrance 20-30 Club in conducting a house-to-house campaign to support the 1948 Cancer Drive, it was announced today by A. J. Settling, president of the local club.

Guess Baby's Birth Time And Win \$10

Goodness, what will babies be doing next!
You would hardly expect an infant at birth to begin giving things away, especially groceries! But that is exactly what the expected offspring, due between April 19 and 30, of Mr. and Mrs. Marvin Howard, will do.
The father, manager of the Ideal Ranch Market, reports that his progeny will donate \$10 of groceries and produce to the person dropping in at a store box the nearest guess regarding the baby's time of arrival. That, incidentally, is something Howard would really like to know himself.

Isen Issues Statement

Albert Isen, attorney at law, issued the following statement following the election of Tuesday. He was an unsuccessful candidate for Board of Education, polling 1358 votes against 1606 for the next lowest candidate.
"I appreciate the support which was shown me with reference to the issues present in the election," Isen said. "In congratulating the incumbent members of the Board of Education, I am pointing out to them that there is a very large number of persons in Torrance who agree with the stand which I took. Again, I realize the present problem and need for adequate schooling and suggest that they present to the voters in June a bond issue which will meet with popular approval and which will have some chance of carrying."
